

Coast Guard, DHS

§ 10.209

any restriction on their license, MMD, COR, and/or STCW endorsement until the first renewal or upgrade of that credential, but not later than April 15, 2014.

(b) Failure to obtain or hold a valid TWIC serves as a basis for the denial of an application for an original, renewal, new endorsement, duplicate, or raise of grade of a mariner's credential and may serve as a basis for suspension and revocation under 46 U.S.C. 7702 and 7703.

(c) An MMC, license, MMD, COR, or STCW endorsement must be retained by the mariner to whom it was issued and, while valid, must be produced to verify qualifications when requested by an authorized official as identified in 33 CFR 101.515(d). Posting of the officer endorsement may be necessary as required in 46 U.S.C. 7110.

(d) Although an MMD and an MMC serve as certificates of identification, a TWIC must be retained by the mariner to whom it was issued and, while valid, serves as the mariner's primary identification document. The TWIC must be produced to verify identity when required by an authorized official as identified in 33 CFR 101.515(d).

§ 10.205 Validity of a merchant mariner credential.

(a) An MMC is valid for a term of five years from the date of issuance.

(b) All endorsements are valid until the expiration date of the MMC on which they appear.

(c) A mariner may not serve under the authority of an MMC past its expiration date. An expired MMC may be renewed during an administrative grace period of up to one year beyond its expiration date as per § 10.227(f) of this part.

(d) When an MMC is renewed or reissued before its expiration date in accordance with § 10.227, the MMC that has been replaced becomes invalid.

(e) An MMC is not valid until signed by the applicant and a duly authorized Coast Guard official.

(f) A mariner's STCW endorsement is valid only when the related officer or rating endorsement is valid.

(g) A mariner's endorsements authorize the holder to serve in any capacity endorsed on the MMC, or in any lower

capacity in the same department, or in any capacity covered by a general endorsement thereon.

(h) If a mariner chooses to renew his or her license, MMD, COR, or STCW endorsement and receive their first MMC, the Coast Guard may also renew all other credentials for which the mariner is qualified.

§ 10.207 Identification number.

For recordkeeping purposes only, a mariner's official MMC identification number is the individual's social security number. However, a unique serial number, and not the social security number, will appear on the credential.

§ 10.209 General application procedures.

(a) The applicant for an MMC, whether original, renewal, duplicate, raise of grade, or a new endorsement on a previously issued MMC, must establish to the Coast Guard that he or she satisfies all the requirements for the MMC and endorsement(s) sought before the Coast Guard will issue the MMC. This section contains the general requirements for all applicants. Additional requirements for duplicates, renewals, new endorsements, and raises of grade appear later in this part.

(b) The Coast Guard may refuse to process an incomplete MMC application. The requirements for a complete application for an original MMC are contained in § 10.225, the requirements for a renewal MMC application are in § 10.227, the requirements for a duplicate MMC application are contained in § 10.229, and the requirements for an application for a new endorsement or raise of grade are contained in § 10.231.

(c) Applications are valid for 12 months from the date that the Coast Guard approves the application.

(d) The portions of the application that may be submitted by mail, fax, or other electronic means may include:

(1) The application, consent for NDR check, and notarized oath on Coast Guard-furnished forms, and the evaluation fee required by § 10.219 of this part;

(2) The applicant's continuous discharge book, certificate of identification, MMD, MMC, license, STCW endorsement, COR, or, if it has not expired, a photocopy of the credential, including the back and all attachments;

(3) Proof, documented on a form provided by the Coast Guard, that the applicant passed the applicable vision, hearing, medical or physical exam as required by § 10.215 of this part;

(4) If the applicant desires a credential with a radar-observer endorsement in accordance with § 11.480 of this chapter, either the radar-observer certificate or a certified copy;

(5) Evidence of, or acceptable substitute for, sea service, if required;

(6) For an endorsement as a medical doctor or professional nurse as required in § 11.807, evidence that the applicant holds a currently valid, appropriate license as physician, surgeon, or registered nurse, issued under the authority of a state or territory of the United States, the Commonwealth of Puerto Rico, or the District of Columbia. Any MMC issued will retain any limitation associated with the medical license;

(7) Any certificates or other supplementary materials required to show that the mariner meets the mandatory requirements for the specific endorsement sought, as established in parts 11, 12 or 13 of this chapter; and

(8) An open-book exercise, in accordance with § 10.227(d)(8)(i) of this part.

(e) The following requirements must be satisfied before an original or renewal MMC, or new endorsement or a raise of grade added to a previously issued MMC, will be issued. These materials will be added to the individual's record by the Coast Guard:

(1) *Determination of safety and suitability.* No MMC will be issued as an original or reissued with a new expiration date, and no new officer endorsement will be issued if the applicant fails the criminal record review as set forth in § 10.211 of this part;

(2) *NDR review.* No MMC will be issued as an original or reissued with a new expiration date, and no new officer endorsement will be issued until the applicant has passed an NDR review as set forth in § 10.213 of this part; and

(3) *Information supplied by the Transportation Security Administration (TSA).*

(i) Beginning on April 15, 2009, no MMC or endorsement will be issued until the Coast Guard receives the following information from the applicant's TWIC application: the applicant's fingerprints, FBI number and criminal record (if applicable), photograph, proof of United States citizenship, or Nationality with proof of legal resident status (if applicable). If the information is not available from TSA, the mariner may be required to visit a Regional Exam Center to provide this information.

(ii) Until April 15, 2009, no application for an MMC or endorsement will be considered complete until the applicant appears at a Regional Exam Center to provide the following information: the applicant's fingerprints, photograph, proof of United States citizenship, or Nationality with proof of legal resident status (if applicable).

(f) Upon determining that the applicant satisfactorily meets all requirements for an MMC or an endorsement thereon, the Coast Guard will issue the properly endorsed MMC to the applicant. Beginning April 15, 2009, the Coast Guard will not issue an MMC until it has received proof that the mariner holds a valid TWIC.

(g) When a new MMC is issued, the mariner must return the previously issued MMC, license, MMD, COR, or STCW endorsement to the Coast Guard, unless the new MMC is being issued to replace a lost or stolen credential. Upon written request at the time of application, the cancelled, previously issued credential(s) will be returned to the applicant.

(h) Unless otherwise stated in this Part, an applicant who fails a chemical test for dangerous drugs will not be issued an MMC.

§ 10.211 Criminal record review.

(a) The Coast Guard may conduct a criminal record review to determine the safety and suitability of an applicant for an MMC and any endorsements. An applicant conducting simultaneous MMC transactions will undergo a single criminal record review. At the time of application, each applicant must provide written disclosure of all convictions not previously disclosed to the Coast Guard on an application.
